Lipstick Reading

Lips are the symbol of seduction — we taste and kiss with them. Each lip imprint is unlike another's and tells a person's story. The reader interprets the lines, how you apply your lipstick, what color you choose (somewhat like a palm reading) is entertaining and engaging. You are provided with a brand new lipstick (you get to keep), a mirror to be picture perfect, and a specially designed card. Kiss your card like you are kissing a love letter. One of a kind Kiss-N-Tell lipstick readings.
